Dear Mr. Wyndham White,

The Dominican Republic and Canada have had several tariff discussions and have now exchanged final offers outlining the tariff concessions we have agreed to make to each other. A copy of these concessions is attached. We now wish to inform you that we have successfully concluded negotiations.

Our discussions have been both informative and helpful and we have every confidence that both countries will benefit by the tariff concessions made and that the trade between our two countries will be increased as a result of our deliberations at Annecy.
