G.A.T.T. TARIFF NEGOTIATIONS 1960/61

List of Products on which Australia intends to request
Concessions from the United States

The Australian Government has provided the following list of items on which Australia may request concessions from the U.S.A. This list is forwarded to the contracting parties following the recommendation of Committee I concerning the rules and procedures for the Tariff Conference commencing in Geneva on 1st September, 1960.

However, the Australian Government has not yet determined the extent to which it will participate in the negotiations nor whether Australia will negotiate with any particular country. The list has been supplied to the U.S. authorities solely on the basis of ensuring that the opportunity to negotiate remains open.
