the United States of America and Austria

The Government of the United States of America and the Republic of Austria, having carried on tariff negotiations pursuant to Article XXVIII bis of the General Agreement on Tariffs and Trade at the 1960-61 Tariff Conference of the Contracting Parties to the General Agreement, and desiring to enter immediately into a definitive agreement without awaiting the preparation of a Protocol embodying the results of that Conference, agree as follows:

I

The provisions of each party's schedule annexed hereto shall be applied by it as if this Agreement were a Protocol of Supplementary Concessions to the General Agreement.

A party which has put the concessions set forth in its schedule into effect shall have the right to suspend or withdraw them in whole or in part until such time as the other party gives such notification.

IV

This Agreement shall terminate at such time as a Protocol to the General Agreement on Tariffs and Trade embodying the results of the 1960-61 Tariff Conference and incorporating the schedules annexed hereto enters into force.

## GENERAL NOTES

1. The provisions of this Schedule are subject to the pertinent notes appearing at the end of Schedule XX (Geneva-1947) annexed to the General Agreement on Tariffs and Trade, as authenticated at Geneva on October 30, 1947.

2. Subject to the provisions of this Schedule, to the provisions of this agreement, and to the provisions of section 350(a)(4)(B) and (C) of the Tariff Act of 1930, the rates specified in the rate columns in this Schedule will become effective as follows:

(a) Rates in Column A will become initially effective on the day provided therefor in the proclamation by the President of the United States to carry out the provisions of this Agreement. Rates in Column B will become initially effective in each case upon the expiration of a full period of one year after the related rate in Column A became initially effective. A rate shall be considered as becoming initially effective as indicated above even though such rate reflects no change in rate of duty, and notwithstanding duty on the product or products concerned is temporarily suspended.

(b) For the purposes of subparagraph (a) above, the phrase "full period of one year" means a period or periods aggregating one year exclusive of the time, after a rate becomes initially effective, when, by reason of legislation of the United States or action thereunder, a higher rate of duty is being applied.

MISSION PERMANENTE DE L'AUTRICHE
GENÈVE

No.2157-A/62

Geneva, 24 April 1962

Dear Mr. Evans,

In accordance with the confidential letter I have adressed on 25 November, 1961 to the Chairman of the US-Delegation to the GATT-Tariff Conference, Mr. Carl Corse, I have the honour to inform you that the negotiations with Austria's main supplier of grapefruit (Tariff Item No. 08.02 B) have resulted in the granting of a concession at a level lower than the rate of duty appearing in the list of concessions granted by Austria to the United States of America.

Austria therefore proposes as a modification to the bilateral agreement with the United States of November 25, 1961 a binding to the United States of the rate of 25 Austrian Schilling for 100 kgs on grapefruit.

I should propose that your delegation drafts the communication to the Executive Secretary to the Contracting Parties, as foreseen in the last paragraph of my above mentioned letter.

As far as Tariff Item 40.11 A 2b - tyres and tyre flaps, other, weighing more then two kgs each - is concerned, negotiations with the main supplier are still going on.

Yours sincerely,

Emanuel Treu
Chairman of the Austrian Delegation
to the GATT-Tariff Conference

April 24, 1962

Dear Mr. Ambassador:

I have received your letter of today's date referring to the letters our two delegations to the GATT 1960-61 Tariff Conference exchanged on November 25, 1961 and informing us that Austria is willing to modify its concession to the United States on grapefruit to the rate of 25 Austrian Schilling for 100 kgs.

The United States accepts this modification of the bilateral agreement.

Note is taken of your statement that still continuing negotiations with the main supplier of tires may result in further modification of our bilateral agreement.

Sincerely,

John W. Evans

GATT 1960-61 Tariff Conference
