

DELEGATION OF THE COMMISSION
OF THE EUROPEAN ECONOMIC COMMUNITY
TO THE GATT TARIFF CONFERENCE

Geneva, July 11, 1961

CEU/GATT-661/61

S E C R E T

GATT TARIFF NEGOTIATIONS 1960/61

Tariff concessions which the EEC requests from
Ceylon

Explanatory note

The attached schedule of tariff concessions which the European Economic Community requests from Ceylon represents an inventory of products for which either reduction or binding of the actual rates of the Ceylon tariff is requested. The purpose of this schedule is to give the Delegation of Ceylon an indication about the interest which the Community has in obtaining concessions on such products.

The Delegation of the Community recalls that it does not intend to insist upon complete reciprocity from Ceylon in the course of the negotiations. For this reason the Community has abstained from figuring its requests.
