DELEGATION OF THE COMMISSION  
OF THE EUROPEAN ECONOMIC COMMUNITY  
TO THE GATT TARIFF CONFERENCE

Geneva, July 10, 1961

CLE/GATT-664/61

S E C R E T

GATT TARIFF NEGOTIATIONS 1960/61

Tariff concessions which the EEC requests from  
India

---

Explanatory note

The attached schedule of tariff concessions which the European Economic Community requests from India represents an inventory of products for which either reduction or binding of the actual rates of the Indian tariff is requested. The purpose of this schedule is to give to the Delegation of India an indication about the interest which the Community has in obtaining concessions on such products.

The Delegation of the Community recalls that it does not intend to insist upon complete reciprocity from India in the course of the negotiations. For this reason the Community has abstained from figuring its requests and confined itself to indicating the cases where binding is proposed.
