SECRET

DELEGATION OF THE UNITED STATES OF AMERICA

Dear Mr. Gilpin:

Following the termination of the bilateral phase of tariff negotiations between the United States of America and Czechoslovakia, I am sending to you herewith a copy of the list of tariff concessions offered by the United States of America to Czechoslovakia. The tariff concessions shown on the attached list are those reached by the negotiating teams representing the two countries, and they are subject to any adjustment that may be required as the result of other negotiations as they are completed. They are also subject to the approval of the Government of the United States.

The description of the commodities shown in the attached list is on the basis of statistical language commodity descriptions, since negotiations were, for convenience, conducted on that basis. The commodity descriptions that will appear ultimately in the United States Schedule annexed to the General Agreement on Tariffs and Trade will, of course, be in the legal language of the United States Tariff Act.

Sincerely yours,

Winthrop S. Brown
Acting Chairman
U.S. Delegation

Mr. A. C. Gilpin,
Acting Executive Secretary,
United Nations Secretariat,
