MEMORANDUM TO ACCOMPANY UNITED STATES OFFER LIST TO SWEDEN

Attached is a list of the tariff concessions which the United States is prepared to grant to Sweden.

The United States Delegation desires to make clear that these offers of tariff concessions are made (1) in the light of the requests for tariff concessions made by the United States upon the other governments participating in the Torquay negotiations and (2) on the assumption that the tariff negotiations between the other participating governments will result in substantial benefits to the United States.

Offers in this list which affect Cuban preferential margins are provisional pending consultations with the Delegation of Cuba.

The offers in the attached list are expressed in terms which will facilitate reference to United States import statistics; the items are identified by statistical class numbers as well as by tariff paragraphs. In the final agreement minor variations in the language used may be necessary in order to have a definitive legal description of the product involved, but the coverage of products will not be altered.

GENERAL AGREEMENT ON TARIFFS AND TRADE
TORQUAY, ENGLAND

March 31, 1951

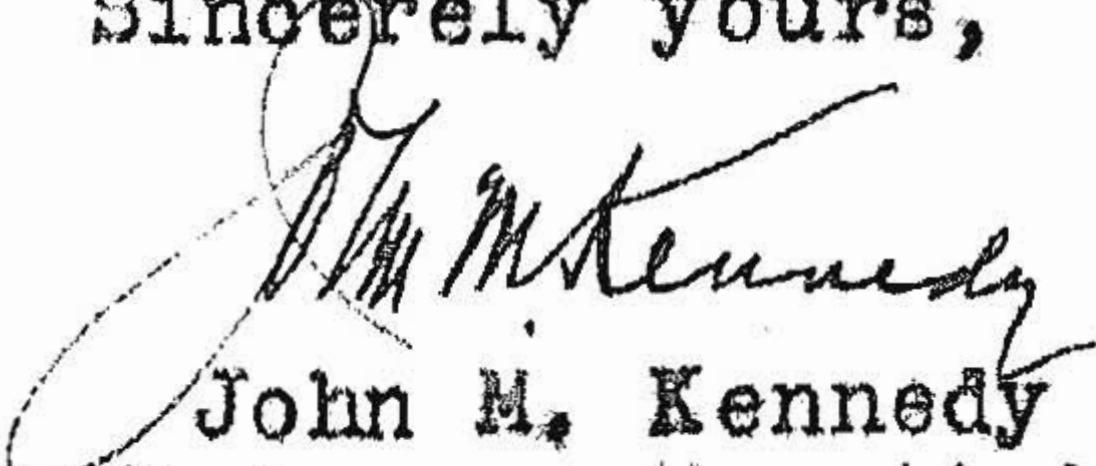

My dear Mr. Gisle:

I refer to the third paragraph of my letter to you of March 15, 1951, on the conclusion of bilateral negotiations between Sweden and the United States in which it was stated that the United States offers of tariff adjustments might be subject to some modification in the light of the bilateral tariff negotiations still to be concluded.

As a result of the conclusion of the Torquay bilateral negotiations certain additions and changes are necessary in the list of United States concessions to Sweden initialed March 15, 1951. These modifications are shown in the attached list. These revised concessions, which appear in the form of the United States statistical classification, will be appropriately added to or changed in the final consolidated list which will be in the statutory language of the United States Tariff Law.

In acknowledging receipt of this letter and its attachments please be good enough to signify whether the proposed modifications are acceptable to you.

Sincerely yours,

John M. Kennedy
Chairman, Negotiating Team
for Sweden
