

What are the latest trends in world trade?

- Which countries are the world's leading exporters/importers?
- Which exports have recorded the strongest growth?
- What are the tariffs imposed by WTO members?

The World Trade Organization
brings you comprehensive data on all aspects of world trade.

International Trade Statistics 2012

International Trade Statistics 2012 reveals the major trends in international trade.

- Charts and maps highlight the latest developments in world trade
- Over 100 tables provide detailed breakdowns of all aspects of trade data
- Statistics are provided by merchandise trade and by trade in commercial services

ITS offers a comprehensive overview of developments in world trade up to the end of 2011.

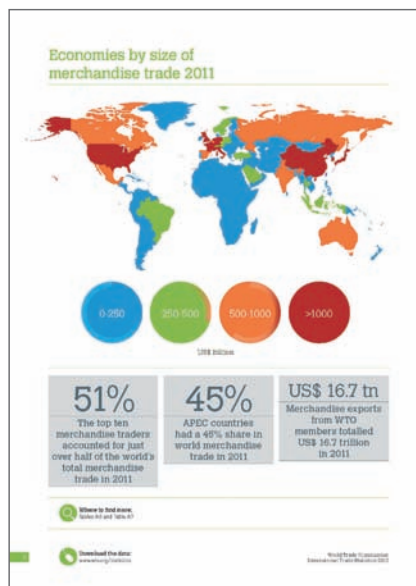

International Trade Statistics 2012 is an invaluable reference tool for researchers, policy makers, and anyone interested in international trade.
