

Pursuant to Article 10, Paragraph 2 of the Law on Import and Export Quality Control of Certain Products ("Official Gazette", No. 21/95), the Government of the Republic of Croatia, on its session held on May 23, 1996 has adopted a following

DECISION

ON AMOUNTS TO BE PAID FOR COVERING THE COSTS OF QUALITY CONTROL OF PRODUCTS UPON EXPORT AND IMPORT

I

The amount to be paid for covering the costs of quality control of products which are subject to quality control upon importation or exportation according to special provisions are determined dependant on kind and quantity of product and it is:

a) food products

1. For shipments of goods which are subject only to quality control through sensory examination
up to 10 tons. 40,00 kn,
and for each next ton, i.e. for each initiated ton it increases for 2,00 kn
2. For shipments of products which are subject to quality control which is carried out through sensory control or inspection carried out by an expert institution
up to 10 tons. 50,00 kn,
and for each next ton, i.e. for each initiated ton it increases for 2,00 kn
3. For horses for slaughter and other categories of horse, bovine animals for slaughter, calves and heifers for fattening and slaughter except, cattle for breeding, the costs are 10 kn per head of cattle

b) non-food products

1. For technically complex products, for which the attestation, the issuance of guarantee document and insurance of servicing and supply of replacement parts is obligatory
per piece.....1,00 kn
2. For shipments of products subject to quality control based on sensory examination, on attesting, i. e. examination at/with appropriate expert institution
up to 1000 pieces or pairs 50,00 kn
for each next 100 pieces or pairs 5,00 kn each,
for each next ton, i.e. for each next commenced tone it increases for 5,00 kn,
up to 10 m3 50,00 kn
for each next m3 it increases for 5,00 kn.

II

The costs from Article I of this Decision increase by 100% for control which is carried out at night, on Sundays or during public holidays.

The work carried out between 7 p.m. and 6 a.m. is considered to be night work.

III

Exporter or importer has to enclose the evidence of payment of the costs from Articles I and II of this Decision together with the Request Form for quality control of products by appropriate market inspection.

The payments from paragraph I of this Article are the state budget revenues, and are paid in favour of the account No. 30102-630-16 (21-7005) - the Republic Authorities and Organisations Revenues.

IV

If exporter or importer does not prepare the samples for quality control in time, and the inspector comes to the sight of control in time required, he is obliged to pay for coming to the sight of control 40,00 kn per hour of waiting.

If the quality control is performed out of inspection headquarters, exporter or importer is obliged to pay the travelling expenses against the issued bill.

V

The Decision on Determining Agricultural and Alimentary Goods and Products Thereof Subject to Quality Control in Foreign Trade ("Official Gazette", No. 20/93) shall cease to be valid on the date this Decision comes into force.

VI

This Decision comes into force on the date of its publication in the "Official Gazette" and shall be applied as of June 1, 1996.
