WTO DOCUMENTS ONLINE

Documents Online provides access to the official documentation of the World Trade Organization. The database contains over 100,000 documents in the three official languages from 1995 onwards and is updated daily. All WTO documents are posted in PDF and WORD format. The application provides a descriptive catalogue record for every document stored in the archive. It is possible to consult all of these documents online and also to download selected documents from the site.

Documents Online comprises six different search interfaces

- **Recent documents** provides access to the latest documents posted.
- **Commonly-consulted** offers a selection of searches which enable the easy retrieval of regularly requested documents.
- **Documents for meetings** displays a list of formal and informal meetings of WTO bodies and their associated documents.
- **By topic** offers the possibility of searching for WTO documents by broad subject category.
- The **Notifications** interface allows for the searching of notification documents by notifying members and WTO legal requirements, using the Central Registry of Notifications database. The *Advanced search* provides additional search criteria, such as symbol, requirement topic and classification. Full-text search capabilities for searching within the document text itself are also available in the *Advanced search*.
- The **Search** module provides advanced searching capabilities enabling the user to retrieve all WTO official documents on the basis of specified criteria, such as symbol, country, topic, or full-text search capabilities for searching within the document text itself.

Public or Restricted

- Member and Observer users are issued with an id and password to access public and restricted materials in Documents Online
- If you have a password, it's a good idea to always log on so that you have access to everything:

- Logging on via the WTO website will also log you on to Documents Online
- Passwords currently are only available directly from Heads of Delegation to the WTO

Resources

- Documents Online is available in English, French or Spanish:

- It contains different resources:

- Today we will look only at the **Search** facility and the **Notifications** interface

The screenshot displays the WTO Symbol Search interface. At the top, the WTO logo and name are visible. A red navigation bar contains links such as 'Recent documents', 'Commonly-consulted documents', 'Documents for meetings', 'By topic', 'Series', 'Notifications', 'Search', 'Guide to Documentation', 'E-Subscriptions', and 'Help'. Below this, a user welcome message 'Welcome John Dickson' and session information 'Your session ends: 14:46' are shown. The main content area features a search results table with columns for 'Title', 'Date', 'Access', and 'Doc #'. A red box highlights the 'Download' button and the 'All parts all formats' option, which is selected. A blue arrow points from the bullet point in the text above to this 'Download' button. The interface also includes language selection options (English, French, Spanish) and a 'More files' link.
